Product Identification

Product Name	Handsfree Car Kit
Product ID	SJ402A
Hardware Version	1.0
Software Version	1.1
Product Type	Product
Product Category	Mobile phone accessory
Supported profiles	GAP, Serial-Device A , Serial-Device B, SDAP, HandsFree-Unit
Product Description	-

Compliant Portion Declaration Identification

CPD Reference No.	CPD-BSTK-050017
QPN Reference No.	QPN-BSTK-050017
Listing date	March 28, 2005

Compliant Portion Declaration

Integrated pre-tested Components	See Annex A
Features supported by the product	See Annex A

This Compliant Portion Declaration is only valid in conjunction with Annex A.

On the basis of reviewing the submitted Compliance folder I declare that the mandatory and optional features of Bluetooth Protocols and Profiles supported by the product are implemented in the above product as described in Annex A.

Compliance Portion Declaration Annex A

1. Integrated pre-tested Components

Product Name	Product ID	HW Ver.	SW Ver	Bluetooth ID	Supported Specification
BlueSem-CII Bluetooth	BTMZ5012x0	1.0	HCISStack 1.1	B00588	RF, BB, LM
BlueCore FW	RFCStack	N/A	16.8.3	B00266	L2CAP, SDP, RFCOMM, GAP, SPP

2. Features supported by the product

- 2.1 RF as defined in the pre-tested component (Bluetooth ID : B00588)
- 2.2 BB as defined in the pre-tested component (Bluetooth ID : B00588)
- 2.3 LM as defined in the pre-tested component (Bluetooth ID : B00588)
- 2.4 L2CAP as defined in the pre-tested component (Bluetooth ID : B00266)
- 2.5 SDP as defined in the pre-tested component (Bluetooth ID : B00266)
- 2.6 RFCOMM with TS 07.10 as defined in the pre-tested component(Bluetooth ID : B00266)
- 2.7 GAP as defined in the pre-tested component (Bluetooth ID : B00266)
- 2.8 SDAP as defined in Part K2 of the Bluetooth core specification V1.1 , including all mandatory features and all optional features except : K2.2/2, K2.2/4, K2.2/6, K2.2/8,K2.2/15, K2.2/17
- 2.9 SPP as defined in the pre-tested component (Bluetooth ID : B00266)
- 2.10 HFP as defined in HFP of the Bluetooth profile specification V1.1, including all mandatory features and all optional features except : Table 1:1, Table 2 , Table 3 : 2b,2c, 4c,8~18b

3. Revision History

Date	Reference	Comment
